

VPAA Webex
Wednesday, April 22, 2020
3:00 p.m.

Agenda

Welcome- Dr. Kathryn Hornsby

1. Blackboard Update- Robert Keown and Pam Warren

Robert: Continuing work with adult ed and economic development for online instruction

Pam: Continuing webinars and training. All but 5 colleges set up in Respondus. Working on Z grades in Blackboard.

2. POA Update- Steve Conway

- When program terminated, it stays on report until the Banner end term is reached.
- If terminated program is showing on report, you can click "not offered".
- Colleges putting in NPRs. Once approved either via Fast Track or State Board, will appear. Please remember to go into POA and update program flags.
- Steve will ask Data Center to make fall an option as it is not currently.
- Robert displayed Program Search Splash Page.

3. Testing Update- Sandra King

Provided update about HESI. Will forward email from Elsevier to VPAA's and will also resend email about PSB to VPAA group. If they have further questions that the email or link does not answer, Sandra will research and report back.

4. Graduation rescheduling and/or virtual alternatives to health program pinnings- Group Discussion

Per Josh McKoon, large gathering of people still not approved. Recommends waiting on those events until further notice.

Virtual pinnings an interesting concept.

South Georgia used this approach and filmed it.

W. GA virtual grad. For dual enrolled students.

Coastal Pines – moved spring and summer to September.

5. Tutoring Peer Group?- Dr. Amy Holloway

Suggested by Amy. Helpful to share best practices, review technology. Group had positive comments. VPAAAs will send contacts to Sandra. Robert and GVTC would like to participate in the group, too.

6. Other Questions- All

Adjourned at 3:22 p.m.
